HON. M. S. BONNIFIELD,
OF HUMBOLDT.

HON. Geo. Brown, Of Storey
HON. W. J. Westerfield, Of Lyon

THE SILVER CONVENTION.

In another column is published an article from the Silver State regarding the location of the Silver Convention. The APPEAL has favored Reno as the place, but will bow to the opinion of the majority. Its editor will go to any point in the State of Nevada to assist in the cause of silver.

It is claimed that the Humboldt League had no authority to fix the location of the convention without the consent of the Central Committee and this call has made some friction. Above all things there should be no friction, for the enemies of silver would like nothing better than a rupture in the silver camp.

A good way to settle the matter would be to have each county to vote for its preference, each voting as many delegates as it was allowed in the Reno Convention. Then wire the vote to Chairman Nixon at Winnemucca. All should agree to stand by this decision.

In Justice to Mr. Summerfield.

The statement made in the APPEAL yesterday by Mrs. Lopez relative to the refusal of the District Attorney to make out a complaint against a boy for taking five dollars from her, is not borne out by the facts.

Mr. Summerfield has witnesses to his interview who say that the only reasons advanced for the refusal to make out a complaint were the age of the accused and the insufficiency of evidence.

Since then the neighbors say that Mrs. Lopez's boy admits that he showed two boys where the money was, and the three kids took it and spent it together for watermelons, candy and knic knacks.

EDITORIAL NOTES.

Allen C. Bragg who left for San Francisco last week is reported much better.

The Homestead affair has cost Pennsylvania \$152,000 in bills for State troops.

There were over 330 signers for a People's party convention in White Pine county.

The signal flag continues to predict fair weather. If this will keep up for the Fair we are all right.

The town was full of rumors yesterday that the big fight was off, and there was a mantle of gloom all over the town for several hours.

Humboldt Lake—a body of water fifteen miles long and from one to four miles wide, is at present alive with ducks, geese, swans and other feathered creatures. Old timers say this will be the best hunting season in years.

The White Pine News says there were no Republican primaries held at Ely presumably for the reason that there were no Republicans to vote, yet White Pine was represented in the Harrison State Convention and its six votes cast for Harrison electors.

The first combined harvesters ever operated in the State are now working in the wheat fields of Thies and Pitt, near Lovelocks. The machines are each pulled by thirty-two horses and in charge of a crew of five men. The machine on the Pitt farm has harvested as high as thirty tons of wheat a day.

A Defaulter.

William V. Helfrich, City Treasurer of Ogden, Utah, is a defaulter to the amount of \$15,000. His bondsmen came to his rescue and he was not arrested. Helfrich was raised in Austin in this State and has always, prior to this break, borne an excellent reputation.
